Questions & Answers

Question May 14, 2020 from Rhonda F.
 I bought this under the impression that the activities would be compatible with Google Classroom. The only link I can find for Google Classroom is for the quiz. Can you send the link for the other activities? If not, this activity does not serve my purpose. [✖](#)

Answer May 14, 2020 from **Adulting Made Easy aka SpedAdulting (TPT Seller)**
 Hi Rhonda,
 This activity comes with an interactive PDF that can be uploaded as an assignment to Google Classroom, a link to make a copy of the Google Quiz to your Google Drive and then upload as an assignment to Google Classroom, and then a link to Boom Cards, which can also be uploaded to Google Classroom in several different ways.
 Here are instructions on how to use/upload each type of activity:
