I teach 5 different Middle School classes. All are focused on work and life skills. This was a great, holiday themed resource. It increases in difficulty and kept my students engaged. They enjoyed the holiday meal theme. I appreciate materials that are relevant to my students real life activities, along with being age appropriate.

Students used with: 6th, 7th, 8th grades
 Primarily students with mild to severe disabilities, that are emerging bilinguals/ ELs/ ESOLs/ ENLs, with learning difficulties, and on the autism spectrum

I purchased a bunch of holiday items from Adulding Made Easy when my classroom unexpectedly went virtual before Winter Break. It was seriously a life saver. Kept my students engaged with their work and helped me continue working on their goals at home. Adulding Made Easy activities are the BEST. Highly Recommend.
