Description

Practice elapsed time in a vocational way. Students identify the time they are supposed to arrive at work, and then calculate the estimated travel time, time it takes to get ready for work, and arriving earlier than scheduled. A visual word problem format. Great for pre-vocational skills of being punctual and planning ahead! NO PREP, PAPERLESS vocational career activity! Distance and remote learning

This Comes With:

- INTERACTIVE PDFs for desktop (no internet needed) or online platforms like Google Classroom™ or Microsoft Teams™ & more.
- 76 Interactive Questions
- Immediate positive reinforcement for correct answers
- Redirection for incorrect answers.
- Numbered questions for easy data collection. Download FREE progress monitoring/answer sheets HERE.
- Editable Google Form™ Quizzes (you will be given a link to make a copy to your Google Drive). From there you can edit, add, delete questions.
- Boom Cards™ decks Check out a FREE playable PREVIEW HERE! Plays sound so student can hear the question read to them.

Students enjoyed figuring out how to be responsible on their own and leave for work on time. This brought on strong feelings of independence.
