Question August 25, 2021 from Alexandra Bergman (TpT Seller)

Just noticed that in Part 1 of the Level 2 worksheets, there are several pages where the images don't load in, can you please look into it when you get a chance? Thanks, I'm otherwise loving the resource!

Answer August 25, 2021 from Adulding Made Easy aka SpedAdulding (TpT Seller)

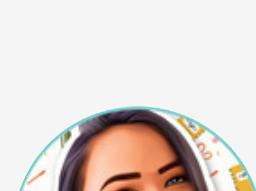

Hi there,

Thank you for your purchase! I didn't experience this issue when I looked over the PDF after opening. This may be occurring if you do not have the fully updated version of Adobe Reader, and not printing the file 'as an image'. You can check for updates by opening Adobe, clicking 'Help' and from the dropdown menu selecting 'Check for Updates'. If there are available updates, Adobe will prompt them to be installed. You can also download the latest version of Adobe Acrobat Reader for free at this link:
