My students utilize this as their warmup for PACE. They love that it covers a variety of areas and I love that most of it can be done independent.

Questions & Answers

Question July 27, 2021 from Rita B.
 My county is using CANVAS LMS. Can I use this product in CANVAS and most importantly the students will be able to fill out on their device (instead of printing)?

Answer July 27, 2021 from Adulting Made Easy aka SpedAdulting (TpT Seller)
 Hi Rita,
 I am not familiar with Canvas and its functions. Are you typically able to upload a PDF worksheet and have students fill out the worksheet? These worksheets are intended to be a printable, but they are PDF files and I know some programs have the capability to draw on PDF files which I am assuming Canvas allows you to do? In any case, here is the Freebie version you can download and test out: <https://www.teacherspayteachers.com/Product/Life-Skills-Daily-Warm-Up-Worksheets-FREEBIE-7073757>
